

**Broadway Christian Church** (Disciples of Christ) first gathered for worship in Princeton in 1889. Our current sanctuary was completed in 1926 after the legendary Tri-State tornado caused great destruction in the area and made the former church building unusable. A connected building, the Christian Life Center, was completed in 1961 and now houses church offices and rooms for our Christian Women's Fellowship and Youth.

One of the church's outreach ministries is a free local meal we call "Be Our Guest". A variety of tasty meals have been served on the last Tuesday of each month ready to be enjoyed in our Fellowship Hall, or packaged for carry-out or delivery to those in need. What began with a handful in 1999 has grown to 300 meals each month.

A recent extension of our food and fellowship ministries occurs on the second Tuesday of each month at 11:30 am. It's another free meal offered primarily to our church members and friends who are age 70 or older as well as their guests. While a much smaller group, the fellowship and caring at these meals is still a great blessing.

Our Sunday morning Worship might be described as traditional with a casual and contemporary flavor. In recent years, we have made extensive use of multi media enhancements while maintaining our focus on scriptural witness and our communion around the Lord's Table. We continue to enjoy the blessings of a part-time choir that is supplemented by special music from church members as well as occasional guests or music videos.

Sunday School opportunities are diverse as we have worked to adjust to changing needs. One adult class meets each Sunday and another meets twice a month. Our Youth gather for Sunday School a half hour before worship and then joins us in the sanctuary.

Our Youth have also been blessed in recent years through attendance at Camp Bedford and occasional participation in regional youth events and even General Assemblies.

Blessed by many members who have been among us for decades, our membership has also seen new faces bring many gifts in recent years. Our Minister, John R. Dunn, first joined us in 1992.
